FIG. 3A is a schematic diagram of a frame structure. The frame is divided into two main sections: a header section and a data section. The header section contains two fields: 'D-A' (Data Address) and 'U-A' (User Address). The data section contains a series of eight empty rectangular blocks. A dimension line labeled 'FRAME' spans the entire width of the structure. Reference numerals 5-31 and 5-32 are positioned above the header section.
